Re: Application for academic transcript

Dear Sir/Madam

I am with great pleasure I would like to apply for requesting the academic internship in your institution HDI, in department of Public relation.

In facts I am a student from institute Catholique de Kabgayi ICK in faculty of Journalism and communication, department of Public relation, I have some experience in communication because I did it about 2 years of in different media houses. Also the I had attended some training prepared by HDI.

All these factors encourage me to apply for requesting academic internship in your organization because it will help me to update the skills of public relation and I will contribute in performance of the organization.

Please let me know the document needed for this; and I resubmit them

Yours faithful

NSHIMIYIMANA Pierre Celestin
